

Project Acceptance Letter Template

Client's Company Name: Autohall

Date:

Subject: Letter of Acceptance of Project "IX-RD-PS-Autohall-01"

Estimated **Safe Manual**

In accordance with the stipulations of the **Statement of Work (SOW)** and based on the agreed deliverables, we are pleased to inform you that the **project "Implementation of secure access and purchase log"** has been successfully completed.

Below, we detail the relevant aspects of the implementation and the final result:

Project Summary:

- **Objective:** To design and implement a solution on AWS that allows users to access an auction portal and save a transaction log through stored screenshots for analysis.
- **Start Date:** 06/2024
- **End Date:** 08/2024

Confirmation of Deliverables:

According to the agreed schedule, all deliverables have been delivered and approved, including:

- Requirements Document – Completed
- Architecture and Estimation – Completed
- Deployment and Configuration – Completed
- Training – Completed
- Testing – Completed

Final Evaluation and Acceptance:

Based on the assessment conducted together, we confirm that the deliverables meet the requirements set out in the project scope. The solution has been successfully tested and validated by the customer's team.

Consequently, **Autohall** formally accepts the **project "Implementation of secure access and purchase log"** and confirms that it has been completed to satisfaction, in accordance with the agreement.

Gratitude:

We would like to express our sincere gratitude for the collaboration and trust provided during the development of this project. It has been a pleasure to work with your team to achieve the goals set.

We hereby confirm the acceptance of the project.

Kind regards

Julio Diaz
